

◆ 2014 BLACK PINE

Pinot Noir | Sonoma Coast

The words Black Pine are literally the English translation of the words Pinot Noir. After 15 years of producing Pinots from up and down the California Coast, this wine embodies the passion with which Richard and Roger Roessler have built their reputation for wine making. Working with growers with whom they have had years of experience, the fruit comes from vineyards located in the Petaluma Gap and Russian River portions of the Sonoma Coast Appellation.

Our goal is to produce a balanced wine that expresses the allure of Pinot Noir. The aromas of sweet red fruit, and the complex flavors in the lush mouthfeel achieve just that in this 2014 Black Pine.

AROMA

Appealing aromas of earth kissed fresh raspberry, rose petal and baking spice. As the wine opens, concentrated candied cranberries linger in the glass.

PALATE

Medium bodied flavors of perfumed cherry, candied red fruit and clove give way to the bright natural acidity and fine tannins that draw out in the impressive finish. The appealing freshness and harmony underlie the wine's ability to work well with a variety of foods.

FOOD PAIRING

Enjoy the 2014 Black Pine with your friends and family paired perfectly with roasted chicken and chanterelle mushroom risotto in a red wine reduction.
